

Wave Goodbye to Pain

FDA-APPROVED, THERAPEUTIC CLASS IV
LASER TREATMENT

Live life to the fullest without drugs, injections, or surgery.

- Powerful relief from chronic and acute pain
- Bio-stimulates natural tissue growth and repair
- Non-invasive, non-toxic, and no known side effects

We utilize the most powerful laser in the medical marketplace.

THE BENEFITS OF DIOWAVE™ 60-WATT LASER SYSTEM:

- Promotes cell renewal and restoration, improves range of motion, and reduces inflammation
- Many conditions show signs of improvement after the first or second treatment

BrightWave Pain Therapy is an effective alternative to opioids.

**BrightWave**
